Dear Parents/Carers,

We have been requested by the local police to notify you that an image containing sexual content is being circulated within our local communities.

We do not want to create undue worry, however we do ask that you follow the police guidance and should your son or daughter receive an image of such nature please delete it immediately. Should an image be received by your son/daughter and then shared they would be committing a criminal offence.

As ever, please be vigilant in these circumstances and should you wish to discuss the matter further do not hesitate to contact the school directly.

Yours sincerely,

Angela Smith
