

Sixth Form Induction Residential 2018 The University of Kent in Canterbury

This is your opportunity to find out more about life in the sixth form and to mix and socialise with staff and students from the two other schools. It also gives you the unique chance to experience student and university life "for real". We would like all those expecting to return in September to join in this important introduction to the sixth form.

The Kent residential was an experience that allowed us to start socializing with students from other schools in a fun, enjoyable and comfortable environment. I would most definitely recommend to all students joining the sixth form. Josh - Year 12

I really enjoyed it, not only for the social aspect of meeting other people, but also seeing the university and understanding what options I may have in the future was really good for me. Lucy - Year 12

I really enjoyed the residential because it was a great way for me to start making friends in my new school(s). After the trip I was able to mix with the people that I had met there and I am now making friends and fitting in really easily. Meg - Year 12
